

# UNDERSTAND THE ASSIGNMENT: GET VACCINATED

Go register here.

Follow all the instructions! It's easy.

Have the ID number, refugee status number, asylum seeker number or passport number ready of the person registering.

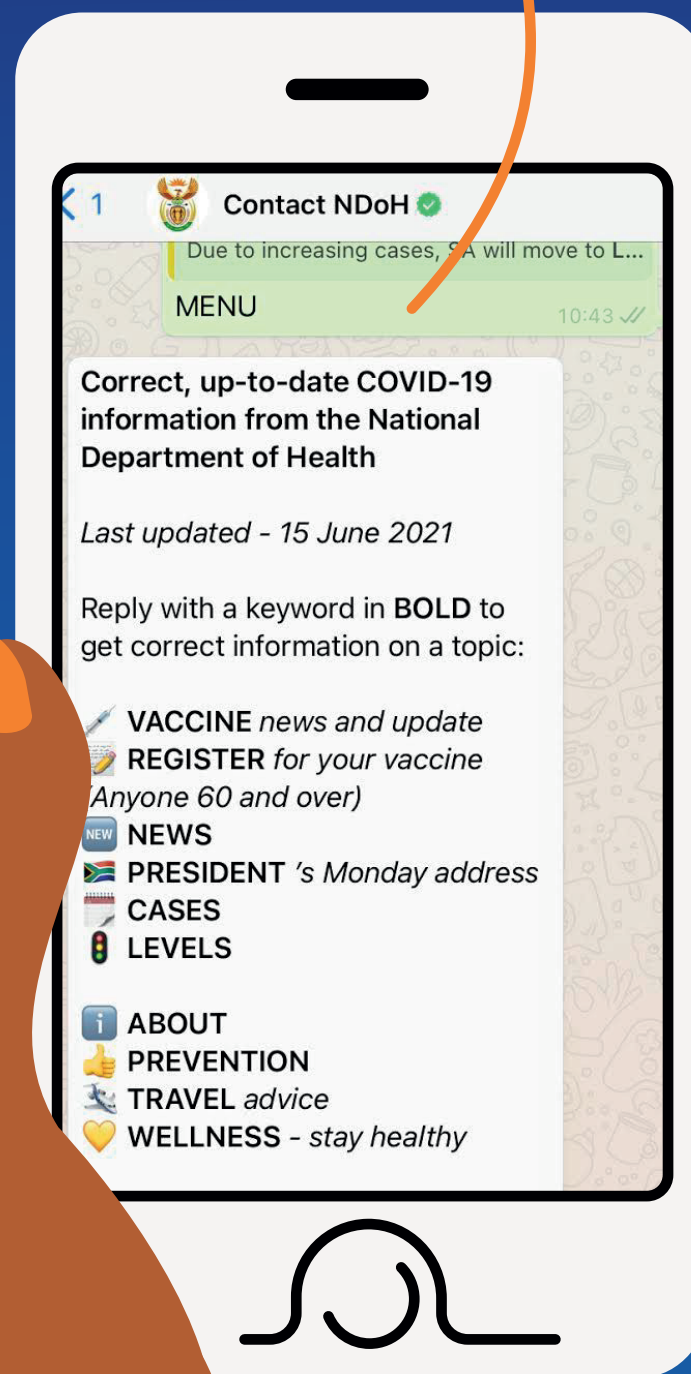

Answer all the questions with the correct information, including the cell number and location of the person registering.

When you are done they will get an sms to confirm they are registered.

When you are done they will get an SMS with a time and place of the vaccination site nearest to them.

Register by dialing  
**\*134\*832#**

Register by WhatsApp  
**0600 123 456**

Keep the COVID-19 rules!

Keep the physical distancing, sanitise, wear a mask, stay away from crowded places.

Have safe chats by being informed about the facts of the process and the benefits of vaccination.

Help those you love to use their cellphones or other easy ways to register.

Get registered when it's our turn!

Be aware of others that might need help in your community!
